SKILLED READERS AND MATHEMATICIANS

Catskill Cougars are always learning, and our scores prove it. Our students scored in the PROFICIENT range on the SBAC statewide testing for both reading and math. We also boast a successful, data-driven Reading Intervention program for at-risk students, as well as targeted Reading Academies for Kindergarten-2nd grade.

21st CENTURY LEADERS IN EDUCATION

We are a School for Advanced Studies/GATE, focusing on STEM and Makerspace. Our students have daily access to a variety of technology, including Chromebooks, a computer lab, and iPads. We also offer the Dual Language program for kindergarten and 1st grade.

ARTS EDUCATION

We expose our students to the arts, and have specialized visual and performing arts instruction. The Catskill Cougars display their talents with several dance, theater, and choir performances throughout the year.

SUPPLEMENTAL SERVICES

We believe that successful students are well-rounded, which is why Catskill Elementary School :

- Promotes positive social-emotional well-being for our students and families, and provides on-site mental health support and services
- Offers after school programs that can assist with homework
- Enriches student education with teacher-led, free after school clubs (Softball, Football, Legos, Arts and Crafts, Choir, Dance, Sewing, and Reading Buddies

WHO ARE WE?

Catskill Avenue Elementary School was established July 1, 1948, and has been serving the Carson community for 71 years. Over these seven decades, we have built trust, relationships, and mutual respect with generations of families. Our talented, fully credentialed teachers have 17-30+ years of teaching experiences, many of whom hold Master's Degrees, National Board Certification, and Bilingual Certification.

FAMILY INVOLVEMENT

We believe family involvement is vital for our students' success. Our Parent Center holds daily ESL Classes, and hosts monthly presentations, led by our own PSW on such topics as peer mediation, violence prevention, and emotional management. Parents are encouraged to participate in School Site Council meetings and to volunteer in the classroom.
